David Russell and I were lucky enough to spend the last 2 weeks or so watching this incredible show evolve.

### Welcome To Invurt

Invurt webzine is an Australian and Melbourne Street Art and Graffiti news source. We providing information on urban, illustrative, underground and other genre defying, nu-contemporary art to readers around the world. It specialises in events and artists who are living, working, displaying and visiting Australasia – particularly with a focus on exhibitions, live art and other events the artists are partaking in.

The logo consists of a white rectangular box with rounded corners, set against a black background. The box is oriented at a 45-degree angle. Inside the box, the word "meetup" is written in a bold, black, sans-serif font. The letters are slightly slanted to match the angle of the box.
